

Charles Voth Designs

Be a Lifelong Learner in Yarn Crafts

To work this border, the last round on the project before working Border Round 1 should have a multiple of 12 stitches, plus 4 extra sts for symmetry and 4 corner chain spaces into which you will work the corner stitches. Adjust the number of stitches by increasing or decreasing evenly around the last row before using this border.

Don't know how to read symbol diagrams? Take my class here at a discount >>> <http://goo.gl/M5sX8T>
